CHAIRMAN'S INTRODUCTION

We have pleasure in enclosing the groupings and fixtures for Phase II (January 2023 to April 2023) of the Combination.

The Combination is a premier 5-a-side, 7-a-side, and 9-a-side football development scheme for the Under 7, Under 8, Under 9, Under 10, and Under 11 age-groups, and exists for the benefit of children (boys and girls) where the emphasis is on enjoyment, team participation, and the development of footballing skills and techniques; alongside the associated benefits of physical, mental and social well-being.

Please refer to the separate Handbook and Rule Book of the Combination where important information is set out for the successful running of the scheme. Your full co-operation in the administration of the Combination is greatly appreciated.

We hope that you all have a very enjoyable season. If you have any questions then please do not hesitate to contact the appropriate Combination Officer. We are committed to provide whatever assistance we can.

Andy Lowe

Chairman and Executive Officer.

December 2022.
