CHAIRMAN'S INTRODUCTION

*We have pleasure in enclosing the groupings and fixtures for Phase 1
(October 2022 to December 2022) of the Combination.*

*The Combination is a premier 5-a-side, 7-a-side, and 9-a-side football
development scheme for the Under 7, Under 8, Under 9, Under 10, and
Under 11 age-groups, and exists for the benefit of children (boys and girls)
where the emphasis is on enjoyment, team participation, and the development
of footballing skills and techniques; alongside the associated benefits of
physical, mental and social well-being.*

*Please refer to the separate Handbook and Rule Book of the Combination
where important information is set out for the successful running of the
scheme. Your full co-operation in the administration of the Combination
is greatly appreciated.*

*We hope that you all have a very enjoyable season. If you have any
questions then please do not hesitate to contact the appropriate Combination
Officer. We are committed to provide whatever assistance we can.*
