**THANKS DAD**

You think you're 'supporting' your son. His team-mates think he's a loser because his Dad mouths off from the sidelines.

**Are you losing it?**

**Respect** 

[www.TheFA.com/respect](http://www.TheFA.com/respect)

The Harrow Youth Football League is a premier football organisation for the Under 12 to Under 18 age groups (inclusive); Under 12 @ the 9-a-side level, and Under 13 to Under 18 @ the 11-a-side level. The League exists for the benefit of children (boys and girls) where the emphasis is on enjoyment, team participation, and the development of footballing skills and techniques; alongside the associated benefits of physical, mental and social well-being.

There is also nothing more important in football than keeping players, coaches, spectators, match officials and everyone involved safe. If we can do that, we can all enjoy the game we love.

The Harrow Youth Football League and all its member clubs support The FA's Respect programme. We recognise that everyone in football has a collective responsibility to create a fair, safe and enjoyable environment in which the game can take place.

We value the courtesy and fairness by all players, officials and spectators. We seek all matches to be played in a fair and competitive but not antagonistic environment.

If we do not have Respect for the opposition players and coaches, and especially for the match referee, then we do not have a game of football.

In the League, equality, diversity and inclusion means valuing and celebrating our differences.

Every one is welcome and every single participant has the right to play the game with confidence and without prejudice, regardless of ability and background. The League is proud of the achievements and progress made so far across the football family, as we all continue on the journey to make the game truly FOR ALL; we hope that you will all join with us.

# HYFL PLAYER REGISTRATION AND TRANSFER PROCEDURES

Full details are given in the User Guide (which must be read in conjunction with this summary note); along with the League Rules.

Registration of each of your players (for each team), must be done through the website: [www.hyfl.website](http://www.hyfl.website). We strongly recommend that you use 'Google Chrome' as the internet browser to enter the system.

On the page for player registration, please enter (completely and accurately) the player's full first name and surname (no middle names or initials), along with their date of birth. Also, please upload/attach the following (in .jpg) to the database (each document should not exceed 1Mb in size): (a) a current (taken no more than 6 weeks prior to registering the player) passport-sized photograph of the player, that meets the minimum quality standards as given in the User Guide (and portrait format) - so head and shoulders only in show and with a plain, light background (no glasses or hats), please make sure that the photo is the right way up and the right size (rotate as necessary) and also that it is not squeezed in terms of size; and (b) evidence of the player's date of birth (in 'landscape' format) - such as last season's (only) player laminate ID card, passport (details/photo page only, not the facing page), birth certificate (certified copy - only with the name/date of birth is required, not the full document), or other official document, each meeting the standards as given in the User Guide. Once this is done and you wish to submit the registration, you will be asked to confirm that all the data entered is complete and accurate. Certain checks will be undertaken by the system and, if all of them are passed, then a player registration number for the season will be automatically generated by the system.

Only upon the correct completion of all the above-mentioned procedures and the issuance of a valid player registration number will the player be duly registered for your club/team. Clubs may register players up until Saturday-midnight for the Sunday match.

The maximum number of players, who can be registered at any point of time, per team, is 20 (25 for the U/17 and the U/18 age groups).

The final date for registering/transferring players is Tuesday 28<sup>th</sup> February 2023.

Once a player is validly registered, clubs will have the facility to print a detailed report of the player, comprising all of the entered personal details, the uploaded photograph and the registration number, from the system.

A personalised player laminate ID card will be subsequently issued by the League to clubs for each registered player.

A player can register for only one club/team at a time, for any one Sunday competition across England.

A club may seek to cancel a player's registration, at any time, by notifying the League AND returning the player laminate ID card to the League. Upon the receipt of these, the League will then cancel the registration on the system, and notify the club of such action. Until ALL of these procedures are completed, the player shall remain a registered player for that club.

A club/team may seek to transfer a player to them by first writing to the club with whom the player is current registered (copying in the League too) and seeking permission for the said player to be transferred. The League, after receipt of such permission AND the player laminate ID card being returned to and being received by the League, will effect the transfer and update the system, taking the player off the old club/team's record and adding the player to the new club/team's record. Until ALL of these procedures are completed and the League has provided a written confirmation to the clubs/teams concerned of such actions, then the player shall not be considered to be transferred and shall remain a registered player for his old club/team. This procedure also applies to the transfer between teams within the same club.

*All player laminate ID cards MUST be made available at all matches. In cases where such cards have not yet been received by the club, a printed copy report (downloaded from the system) of the details of all registered players MUST be made available at all matches. For the avoidance of doubt, electronic copies of such cards/reports via computer, ipad, iphone, etc. is NOT acceptable.*

*All clubs/teams must check their opponent's cards/reports at all matches in the League.*

*If a club/team fails to provide the cards/reports at the match, the game shall still take place. However, the club/team in default shall arrange for each player to write his/her name on a piece of paper along with their date of birth in the presence of the opposing team. The opposing team must then submit this to the League for checking.*

Please read the League Rules in detail which, in the case of any inconsistency with the above, shall fully apply. Please also read the User Guide which provides further details for assistance and requirements.

## HYFL PLAYER REGISTRATION ADVICE

*There are 5 key fields when registering a player and these need to be accurate to avoid subsequent rejection.*

<b>First Name</b>	<p>Should be entered exactly as given on the proof document e.g. if the player's first name on the document is Daniel but known as Danny, you must enter Daniel. No middle names should be included.</p> <p>Please double-check that the spelling of the name exactly matches that on the proof document.</p>
<b>Last Name</b>	<p>Enter exactly as given on the proof document. If the player has 2 or more last names, then all should be entered exactly as given on the proof document. If the name has a hyphen, please enter it but if not do not add a hyphen if there is not one on the document.</p> <p>Please double-check that the spelling of the name exactly matches that on the proof document.</p>
<b>Date of Birth</b>	<p>This should be taken from the proof document, converting the month alpha characters to numeric. So Jan is 01, May is 05, Aug is 08, Dec is 12, etc.</p>
<b>Player Image</b>	<p>This should be a current photo (taken no more than 6 weeks prior to registering the player) of the player's face and shoulders only - not his/her body. The player should be looking directly at the camera. The photo should be a close-up of the player's face such that there is just a small amount of light background visible around the head. The player must not be wearing glasses or a hat.</p> <p>The photograph should be taken in '<b>portrait</b>' mode and be less than 1Mb in size (and in .jpg format). It is important to check for this before starting the registration process as some photos will be taken by others without checking the size or that it is taken <b>portrait</b>.</p> <p>Please check that the image is showing in the correct way and, if not, rotate it before registering the player, using the rotate button.</p> <p>Before registering the player, please use the 'View' function in order to ensure that the photo meets the minimum requirements.</p>
<b>Document Image</b>	<p>This is the area that causes most rejections and this is because users often do not observe the requirements.</p> <p>There are three documents that can be used to provide proof that the player is eligible to play for the club:</p> <ol style="list-style-type: none"> <li>1. The player's 2021-2022 <b>registration laminate ID card</b>. The photo of this card should be taken from directly overhead, not at an angle, and be taken in '<b>landscape</b>' mode. There should be no background.</li> <li>2. A <b>passport details photo page</b>. When opened this is the lower half of the 2 pages that are visible. You should only photograph this lower half and ensure that everything is included in the photo; this includes the lower 2 lines of data which can be used to confirm details if a part of the document is unreadable. The proof image should be taken from directly overhead, not at an angle, taken in '<b>landscape</b>' mode with no background.</li> <li>3. A <b>birth certificate</b>. Only the top of the document showing the official wording, the player's name and date of birth. Nothing else is required. Again, this should be photographed from directly above, not at an angle, in '<b>landscape</b>' mode with no background.</li> </ol> <p>It is important that the document image uploaded is readable (and less than 1Mb in size) and this means taken in good light but not with a light shining directly on it as this might obscure certain key details.</p> <p>Please check that the image is shown in the correct way and, if not, rotate it before registering the player using the rotate button.</p> <p>Before registering the player, please use the 'View' function in order to ensure that the photo meets the minimum requirements.</p>

## PROCEDURES TO BE FOLLOWED DURING INCLEMENT WEATHER AND PITCHES POSSIBLY BEING UNPLAYABLE

Under the League and FA rules/regulations, it is ONLY the appointed match referee who has the power to decide the fitness of the ground in all matches and his/her decision is final and binding, subject to the matters noted below.

To be clear, the decision regarding whether a pitch is playable is primarily determined based on whether the pitch is dangerous for the players playing in the match, not if it is too wet or too muddy, as the case may be. All registered referees are provided with training in this area and they are independent of mind in this regard.

The home club must liaise with the appointed match referee, as early as is practicable and reasonable, so that he/she can attend and visit the ground and inspect the pitch.

All appointed match referees themselves must be available to be contacted and attend and visit the home ground as necessary.

In all cases, the match referee must attend and review the pitch conditions in person. A home club official should be in attendance at the ground when the inspection takes place.

Subsequently, if a match is not played, the match referee is entitled to claim travelling expenses (only) from his/her home to the venue (this shall be paid by the home club).

If a home club has more than one pitch in use at the venue, it is permissible for one of the appointed match referees to attend and to inspect all the pitches that are scheduled to be played on; and in this case his/her decision shall be final and binding over all pitches/matches.

Under no circumstances shall a team manager, club official or any other non-match appointed referee be entitled to decide as to the pitch condition and whether a pitch is playable or not.

When the pitch is being inspected by the match referee, he/she must do so on his/her own (unaccompanied) and the match referee (after inspection) shall then advise the home club official of his/her decision.

Under no circumstances shall a pitch be inspected and/or declared unplayable before the Saturday (prior to the Sunday match day); and if on the Saturday then only in exceptional (weather-related) circumstances.

If there is no League appointed match referee for any particular game, the person who the home club has appointed to be the match referee on the day shall have the full powers, status and authority of a League appointed match referee and the procedures noted above shall be followed in full.

In certain rare cases, it is possible that the ground authority (i.e. a local Council) makes a decision as to whether a pitch can be used (i.e. whether it is playable or not). In such circumstances, the decision of the ground authority is final and binding and there is no need for clubs to liaise with the appointed match referee for any independent inspection.

The above-mentioned rights of the ground authority (in almost all cases this will 'only' be a local Council) does not apply when the home team are the pitch owners or have control (directly or indirectly) over the pitch. If that is the case, then the right to make a decision as to whether a pitch is playable or not reverts solely to the appointed match referee - as stated above.

**Before any match is finally postponed, the home club MUST contact the away team and see if the away team can host the match. If the away team can host the match, then the game must be switched to the away team's ground and be duly played.**

Regarding the timing of any pitch inspection, it is clearly preferable for any inspection to take place early enough to avoid the away team having to travel to the home team ground (if there is the possibility of the pitch being declared unfit for play). However, if that is not possible (and in the interest of matches taking place) - if a match is not called off then the away team must travel to the home team ground to be ready to play the match at the scheduled kick off time.

It is always frustrating for all concerned (players, parents, coaches, club officials and referees) when matches have to be called off due to inclement weather. The League is seeking to facilitate an independent, standard process be followed, so as to ensure that the maximum number of matches are played each week whilst, at the same time, recognising that some pitches may not be playable; and that such decisions are taken as early as reasonable possible, but by bringing the ethos of football-for-all to the fore.

## LEAGUE HONOURS

In this first, almost full, season (2021-2022) back after two seasons of being severely impacted by the Covid global pandemic; we were successful in completing a full League programme of matches across all age-groups; and an additional League Trophy competition, again at all age groups. There was a scheduled delay to the start of the season, mainly due to the late finish of the previous season. The season was then marginally impacted by the on-going Covid virus (which mutated, later in the calendar year, to the Omicron variant), and also by inclement weather; but we were able to fully complete the scheduled programme of matches by the end-May 2022 timeline. This enabled all of our over 10,000 registered players to play and enjoy competitive football; thus, among other things, developing their football skills and techniques, alongside the associated benefits of physical, mental and social well-being.

Set out below are the divisional club/team winners and runners-up; and all players in the teams noted were recognised for their achievements with individual mementoes.

# The Bobby Moore Fund

**In 1993 when Bobby Moore OBE died prematurely from bowel cancer at the age of 51, the nation grieved for a football legend and a true gentleman of the beautiful game.**

**Stephanie Moore OBE established the Bobby Moore Fund, in partnership with Cancer Research UK, and since its launch the fund has become the UK's No. 1 bowel cancer charity raising over £29m for ground breaking bowel cancer research projects and awareness campaigns.**

**Bowel cancer still remains the second biggest killer in the UK; however, 90% of patients will survive the disease for more than five years if diagnosed at the earliest stage.**

**The Bobby Moore Fund seeks to raise awareness about the disease and to raise vital funds for bowel cancer research.**

## SAFEGUARDING CHILDREN Policy and Procedures

1. The Harrow Youth Football League (the 'League') acknowledges its responsibility to safeguard the welfare of every child and young person directly connected with the League and is committed to provide a safe environment for all. We recognise that a child or young person is anyone under the age of 18 and therefore we have a responsibility to ensure appropriate safeguards are in place. As such, we subscribe to The Football Association's (the FA) Safeguarding Children - Policy and Procedures.

The League endorses and adopts the following key Safeguarding principles:

(I). The child's welfare is, and must always be, the paramount consideration.

(II). All children and young people have a right to be protected from abuse, regardless of their; age, gender, gender reassignment, sexual orientation, marital status or civil partnership, race, nationality, ethnic origin, colour, religion or belief, ability or disability, pregnancy and maternity.

(III). All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately.

(IV). Working in partnership with other organisations, children and young people and their parents/carers is essential.

We acknowledge that every child or young person who plays or participates in football should be able to do so in an enjoyable and safe environment and be protected from poor practise and abuse. The League recognises that this is the responsibility of every adult involved in our League.

2. The League has a role to play in safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The FA's Safeguarding Children Regulations (see The FA Handbook) apply to everyone in football, whether in a paid or voluntary capacity, including coaches/managers, volunteers, match officials, helpers on club tours, or medical staff or other club officials/helpers.

3. The League supports The FA's Whistle Blowing Policy. Any adult or young person with concerns about an adult in a position of trust in football can 'whistle blow' by contacting The FA Safeguarding Team on 0800 169 1863, or by writing to The FA Case Manager at The Football Association, Wembley Stadium, PO Box 1966, London SW1P 9EQ, or by emailing [Safeguarding@TheFA.com](mailto:Safeguarding@TheFA.com) or, alternatively, by going direct to the Police, Children's Social Care or the NSPCC. The League encourages everyone to know about The FA's Whistle Blowing Policy and utilise it if necessary.

4. We acknowledge and endorse The FA's identification of bullying as a category of abuse. Bullying of any kind is not acceptable. If bullying does occur, all players or parents/carers should be able to access their clubs anti-bullying policy and know that incidents will be dealt with appropriately.

5. The League recognises that safeguarding is everyone's responsibility and our registered clubs are required to ensure their safeguarding children policy and procedures are shared with their members and actively promoted.

The League requires any concerns about a child to be managed by:

(I). Informing the Club Welfare Officer (Youth Teams) (CWO)

(II). If the issue is one of poor practice the club's CWO will either:

- deal with the matter themselves or
- seek advice from the County FA Designated Safeguarding Officer (CFA DSO)

(III). If the concern is more serious - for example a concern about possible child abuse, the CWO must contact the CFA DSO. If they are not available immediately, then either the Police or Children's Social Care must be contacted. If the child needs immediate medical treatment then they must be taken to a hospital, if necessary, an ambulance should be called and advised that this is a child protection concern.

(IV). If, at any time, a club member is not able to contact their CWO, or the matter is clearly serious then they can either:

- Contact the CFA Designated Safeguarding Officer directly
- Contact The FA's Safeguarding Team on **0800 169 1863** or [Safeguarding@TheFA.com](mailto:Safeguarding@TheFA.com)
- Contact the Police or Children's Social Care
- Call the NSPCC 24-hour Helpline for advice on **0808 800 500** or text **88858** or email [help@nspcc.org.uk](mailto:help@nspcc.org.uk)

If the CWO was not available then the club members are required to let them know what action they have taken, they in turn must inform the CFA DSO.

The League understands and accepts our collective responsibility to adhere to and promote The FA's Safeguarding Children Policy and Procedures with our registered clubs.

## EQUALITY POLICY AND COMPLAINTS PROCEDURE

The aim of this policy is to ensure that all members of the community are treated fairly and with respect and that the Harrow Youth Football League (the 'League') is equally accessible to them all.

The League is responsible for setting standards and values that apply throughout the League at every level. Football belongs to and should be enjoyed by everyone, equally. Our commitment is to confront and eliminate discrimination whether based on gender, sexual orientation, marital status, race, nationality, ethnic origin, colour, religion or belief, ability or disability and to encourage equal opportunities.

This policy is fully supported by the League Officers and Andy Lowe who holds the post of Executive Officer at the League and is responsible for the implementation of this policy.

Equality at the League means that in all our activities we will not discriminate, or in any way treat anyone less favourably, based on grounds of gender, sexual orientation, marital status, race, nationality, ethnic origin, colour, religion or belief, ability or disability. It means that we will ensure that we treat people fairly and with respect and that we will provide access and opportunities for all members of our activities. And it means that we will not sanction any action, or lack of action, which might disadvantage a member compared to another for any reason related to the list above.

The League will not tolerate harassment, bullying, abuse or victimisation of an individual (which for the purpose of this policy and the actions and sanctions applicable is regarded as discrimination). This includes sexual or racially based harassment or other discriminatory behaviour, whether physical or verbal.

The League will work to ensure that such behaviour is met with appropriate action in whatever context it occurs.

We are committed to the development of a programme of ongoing training and awareness raising events and activities in order to promote the eradication of discrimination within the League and in the wider context, within football as a whole. We are also committed to circulating this policy to all our members and working with them to ensure that this is a shared policy that all members can collectively work towards.

The League is committed to a policy of equal treatment of all its members and requires all members to abide and adhere to these policies and the requirements of the Equality Act 2010.

The League commits itself to the immediate investigation of any claims of discrimination on the above grounds and where such is found to be the case, the practise will be stopped and sanctions will be imposed, as deemed appropriate. We will also work with Middlesex Football Association to achieve the same outcomes.

### **Complaints Procedure**

In case any member feels that he or she has suffered discrimination in any way or that the League's Policies, Rules or Code of Conduct has been broken they should report the matter to the Executive Officer or another member of the Management Committee.

If the complaint is with regard to the League's Management Committee the member has the right to report the discrimination directly to Middlesex Football Association or to The Football Association.

## **LEAGUE CHALLENGE TROPHY RULES**

Each age-group within the Competition must be considered separately.

2. If a challenge trophy competition is organised, all Clubs that have Teams within the age group for which it is proposed to run such a competition may apply to enter. The Management Committee shall have the absolute power to refuse the entry of any Team, or to cancel the entry of any Team at any time, should they consider that the number of games they have outstanding in all other competitions would cause problems in scheduling challenge trophy competition fixtures, be to the detriment of the other competitions of the Competition, or for any other reason.

3. The Management Committee shall decide the age-groups to be organised together with the groupings of Teams. The challenge trophy competitions shall be fully managed by the Management Committee.

4. The duration of matches will be the same as in the League Competitions for each age-group.

5. The Management Committee may decide in any challenge trophy competition that a definite result is required at any stage of the competition. In such cases the method of obtaining that definite result will be determined by the Management Committee and communicated to both Clubs at least twenty four hours prior to the match taking place.

6. No qualification period matches are required by any player to take part in any challenge trophy competition.

7. Subject to rule 5, in the case of final matches in challenge trophy competitions (or part competitions) run on a knock out basis, should the scores remain level after normal time, the result and the trophy (if any) shall be determined by the taking of penalty kicks in accordance with the conditions prescribed by the International Football Association Board. 8. The Management Committee shall decide the level of any entrance fee.

9. At the close of the challenge trophy competition, award(s) of a type to be decided by the Management Committee may be presented.

## **KNOCK-OUT COMPETITIONS - TAKING OF PENALTY KICKS**

This is a summary of Law 10: Determining the Outcome of a Match

### **BEFORE KICKS FROM THE PENALTY MARK START**

- Unless there are other considerations (e.g. ground conditions, safety etc.), the referee tosses a coin to decide the goal at which the kicks will be taken, which may only be changed for safety reasons or if the goal of playing surface becomes unusable.
- The referee tosses a coin again and the team that wins the toss decides whether to take the first or second kick.
- With the exception of a substitute for a goalkeeper who is unable to continue, only players who are on the field of play or are temporarily off the field of play (injury, adjusting equipment etc.) at the end of the match are eligible to take kicks.
- Each team is responsible for selecting from the eligible players the order in which they will take the kicks. The referee is not informed of the order.
- If, at the end of the match and before or during the kicks, one team has a greater number of players than its opponents, it must reduce its numbers to the same number as its opponents and the referee must be informed of the name and number of each player excluded. Any excluded player is not eligible to take part in the kicks (except as outlined below).
- A goalkeeper who is unable to continue before or during the kicks may be replaced by a player excluded to equalise the number of players or, if their team has not used its maximum permitted number of substitutes, a named substitute, but the replaced goalkeeper takes no further part and may not take a kick.
- If a goalkeeper has already taken a kick, the replacement may not take a kick until the next round of kicks.

### **DURING KICKS FROM THE PENALTY MARK**

- Only eligible players and match officials are permitted to remain on the field of play.
- All eligible players, except the player taking the kick and the two goalkeepers, must remain within the centre circle.
- The goalkeeper of the kicker must remain on the field of play, outside the penalty area, on the goal line where it meets the penalty area boundary line.
- An eligible player may change places with the goalkeeper.
- The kick is completed when the ball stops moving, goes out of play or the referee stops play for any offence; the kicker may not play the ball a second time.
- The referee keeps a record of the kicks.
- If the goalkeeper commits an offence and, as a result, the kick is retaken, the goalkeeper is warned for the first offence and cautioned for any subsequent offence(s).
- If the kicker is penalised for an offence committed after the referee has signalled for the kick to be taken, that kick is recorded as missed and the kicker is cautioned.
- If both the goalkeeper and the kicker commit an offence at the same time, the kick is recorded as missed and the kicker cautioned.

## SUBJECT TO THE CONDITIONS EXPLAINED BELOW, BOTH TEAMS TAKE FIVE KICKS

- The kicks are taken alternately by the teams.
- Each kick is taken by a different player, and eligible players must take a kick before any player can take a second kick.
- If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken.
- If, after both teams have taken five kicks, the scores are level, kicks continue until one team has scored a goal more than the other from the same amount of kicks.
- The above principle continues for any subsequent sequence of kicks but a team may change the order of kickers.
- Kicks from the penalty mark must not be delayed for a player who leaves the field of play. The players' kick will be forfeited (not scored) if the player does not return in time to take a kick.

## SUBSTITUTIONS AND SENDING-OFFS DURING KICKS FROM THE PENALTY MARK

- A player, substitute or substituted player may be cautioned or sent off.
- A goalkeeper who is sent off must be replaced by an eligible player.
- A player, other than the goalkeeper, who is unable to continue may not be replaced.
- The referee must not abandon the match if a team is reduced to fewer than seven players.
