HARROW SOCCER COMBINATION

**THANKS
DAD**

You think you're 'supporting' your son. His team-mates think he's a loser because his Dad mouths off from the sidelines.

Are you losing it?

Respect 

www.TheFA.com/respect

There is also nothing more important in football than keeping players, coaches, spectators, match officials and everyone involved safe. If we can do that, we can do that, we can all enjoy the game we love.

The Harrow Soccer Combination and all its member clubs support The FA's Respect programme. We recognise that everyone in football has a collective responsibility to create a fair, safe and enjoyable environment in which the game can take place.

We value the courtesy and fairness by all players, officials and spectators.

If we do not have Respect for the opposition players and coaches, and especially for the match referee, then we do not have a game of football.

In the Combination, equality, diversity and inclusion means valuing and celebrating our differences. Every one is welcome and every single participant has the right to play the game with confidence and without prejudice, regardless of ability and background. The Combination is proud of the achievements and progress so far across the football family, as we all continue on the journey to make the game truly FOR ALL; we hope that you will all join with us.

HSC PLAYER REGISTRATION AND TRANSFER PROCEDURES

Full details are given in the User Guide (which must be read in conjunction with this summary note); along with the Combination Rules.

Registration of each of your players (for each team), must be done through the website: www.hyfl.website. We strongly recommend that you use 'Google Chrome' as the internet browser to enter the system.

On the page for player registration, please enter (completely and accurately) the player's full first name and surname (no middle names or initials), along with their date of birth. Also, please upload/attach the following (in .jpg) to the database (each document should not exceed 1Mb in size): (a) a current (taken no more than 6 weeks prior to registering the player) passport-sized photograph of the player, that meets the minimum quality standards as given in the User Guide (and portrait format) - so head and shoulders only in show and with a plain, light background (no glasses or hats), please make sure that the photo is the right way up and the right size (rotate as necessary) and also that it is not squeezed in terms of size; and (b) evidence of the player's date of birth (in 'landscape' format) - such as last season's (only) player laminate ID card, passport (details/photo page only, not the facing page), birth certificate (certified copy - only with the name/date of birth is required, not the full document), or other official document, each meeting the standards as given in the User Guide. Once this is done and you wish to submit the registration, you will be asked to confirm that all the data entered is complete and accurate. Certain checks will be undertaken by the system and, if all of them are passed, then a player registration number for the season will be automatically generated by the system.

Only upon the correct completion of all the above-mentioned procedures and the issuance of a valid player registration number will the player be duly registered for your club/team. Clubs may register players up until Saturday-midnight for the Sunday match.

The maximum number of players, who can be registered at any point of time, per team, is 20.

The final date for registering/transferring players is Tuesday 28th February 2023.

Once a player is validly registered, clubs will have the facility to print a detailed report of the player, comprising all of the entered personal details, the uploaded photograph and the registration number, from the system.

A personalised player laminate ID card will be subsequently issued by the Combination to clubs for each registered player.

A player can register for only one club/team at a time, for any one Sunday competition across England.

A club may seek to cancel a player's registration, at any time, by notifying the Combination AND returning the player laminate ID card to the Combination. Upon the receipt of these, the Combination will then cancel the registration on the system, and notify the club of such action. Until ALL of these procedures are completed, the player shall remain a registered player for that club.

A club/team may seek to transfer a player to them by first writing to the club with whom the player is current registered (copying in the Combination too) and seeking permission for the said player to be transferred. The Combination, after receipt of such permission AND the player laminate ID card being returned to and being received by the Combination, will effect the transfer and update the system, taking the player off the old club/team's record and adding the player to the new club/team's record. Until ALL of these procedures are completed and the Combination has provided a written confirmation to the clubs/teams concerned of such actions, then the player shall not be considered to be transferred and shall remain a registered player for his old club/team. This procedure also applies to the transfer between teams within the same club.

All player laminate ID cards MUST be made available at all matches. In cases where such cards have not yet been received by the club, a printed copy report (downloaded from the system) of the details of all registered players MUST be made available at all matches. For the avoidance of doubt, electronic copies of such cards/reports via computer, ipad, iphone, etc. is NOT acceptable.

All clubs/teams must check their opponent's cards/reports at all matches in the Combination.

If a club/team fails to provide the cards/reports at the match, the game shall still take place. However, the club/team in default shall arrange for each player to write his/her name on a piece of paper along with their date of birth in the presence of the opposing team. The opposing team must then submit this to the Combination for checking.

Please read the Combination Rules in detail which, in the case of any inconsistency with the above, shall fully apply. Please also read the User Guide which provides further details for assistance and requirements.

HSC PLAYER REGISTRATION ADVICE

There are 5 key fields when registering a player and these need to be accurate to avoid subsequent rejection.

First Name	<p>Should be entered exactly as given on the proof document e.g. if the player's first name on the document is Daniel but known as Danny, you must enter Daniel. No middle names should be included.</p> <p>Please double-check that the spelling of the name exactly matches that on the proof document.</p>
Last Name	<p>Enter exactly as given on the proof document. If the player has 2 or more last names, then all should be entered exactly as given on the proof document. If the name has a hyphen, please enter it but if not do not add a hyphen if there is not one on the document.</p> <p>Please double-check that the spelling of the name exactly matches that on the proof document.</p>
Date of Birth	<p>This should be taken from the proof document, converting the month alpha characters to numeric. So Jan is 01, May is 05, Aug is 08, Dec is 12, etc.</p>
Player Image	<p>This should be a current photo (taken no more than 6 weeks prior to registering the player) of the player's face and shoulders only - not his/her body. The player should be looking directly at the camera. The photo should be a close-up of the player's face such that there is just a small amount of light background visible around the head. The player must not be wearing glasses or a hat.</p> <p>The photograph should be taken in 'portrait' mode and be less than 1Mb in size (and in .jpg format). It is important to check for this before starting the registration process as some photos will be taken by others without checking the size or that it is taken portrait.</p> <p>Please check that the image is showing in the correct way and, if not, rotate it before registering the player, using the rotate button.</p> <p>Before registering the player, please use the 'View' function in order to ensure that the photo meets the minimum requirements.</p>
Document Image	<p>This is the area that causes most rejections and this is because users often do not observe the requirements.</p> <p>There are three documents that can be used to provide proof that the player is eligible to play for the club:</p> <ol style="list-style-type: none"> 1. The player's 2021-2022 registration laminate ID card. The photo of this card should be taken from directly overhead, not at an angle, and be taken in 'landscape' mode. There should be no background. 2. A passport details photo page. When opened this is the lower half of the 2 pages that are visible. You should only photograph this lower half and ensure that everything is included in the photo; this includes the lower 2 lines of data which can be used to confirm details if a part of the document is unreadable. The proof image should be taken from directly overhead, not at an angle, taken in 'landscape' mode with no background. 3. A birth certificate. Only the top of the document showing the official wording, the player's name and date of birth. Nothing else is required. Again, this should be photographed from directly above, not at an angle, in 'landscape' mode with no background. <p>It is important that the document image uploaded is readable (and less than 1Mb in size) and this means taken in good light but not with a light shining directly on it as this might obscure certain key details.</p> <p>Please check that the image is shown in the correct way and, if not, rotate it before registering the player using the rotate button.</p> <p>Before registering the player, please use the 'View' function in order to ensure that the photo meets the minimum requirements.</p>

The FA

FOR ALL

Safeguarding Children Policy and Procedures

1. The Harrow Soccer Combination (the 'Combination') acknowledges its responsibility to safeguard the welfare of every child and young person directly connected with the Combination and is committed to provide a safe environment for all. We recognise that a child or young person is anyone under the age of 18 and therefore we have a responsibility to ensure appropriate safeguards are in place. As such, we subscribe to The Football Association's (the FA) Safeguarding Children - Policy and Procedures.

The Combination endorses and adopts the following key Safeguarding principles:

- (I). The child's welfare is, and must always be, the paramount consideration.

- (II). All children and young people have a right to be protected from abuse, regardless of their; age, gender, gender reassignment, sexual orientation, marital status or civil partnership, race, nationality, ethnic origin, colour, religion or belief, ability or disability, pregnancy and maternity.

- (III). All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately.

- (IV). Working in partnership with other organisations, children and young people and their parents/carers is essential.

We acknowledge that every child or young person who plays or participates in football should be able to do so in an enjoyable and safe environment and be protected from poor practise and abuse. The Combination recognises that this is the responsibility of every adult involved in our Combination.

2. The Combination has a role to play in safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The FA's Safeguarding Children Regulations (see The FA Handbook) apply to everyone in football, whether in a paid or voluntary capacity, including coaches/managers, volunteers, match officials, helpers on club tours, or medical staff or other club officials/helpers.

3. The Combination supports The FA's Whistle Blowing Policy. Any adult or young person with concerns about an adult in a position of trust in football can 'whistle blow' by contacting The FA Safeguarding Team on 0800 169 1863, or by writing to The FA Case Manager at The Football Association, Wembley Stadium, PO Box 1966, London SW1P 9EQ, or by emailing Safeguarding@TheFA.com or, alternatively, by going direct to the Police, Children's Social Care or the NSPCC. The Combination encourages everyone to know about The FA's Whistle Blowing Policy and utilise it if necessary.

4. We acknowledge and endorse The FA's identification of bullying as a category of abuse. Bullying of any kind is not acceptable. If bullying does occur, all players or parents/carers should be able to access their clubs anti-bullying policy and know that incidents will be dealt with appropriately.

5. The Combination recognises that safeguarding is everyone's responsibility and our registered clubs are required to ensure their safeguarding children policy and procedures are shared with their members and actively promoted.

The Combination requires any concerns about a child to be managed by:

(I). Informing the Club Welfare Officer (Youth Teams) (CWO)

(II). If the issue is one of poor practice the club's CWO will either:

- deal with the matter themselves

or

- seek advice from the County FA Designated Safeguarding Officer (CFA DSO)

(III). If the concern is more serious - for example a concern about possible child abuse, the CWO must contact the CFA DSO. If they are not available immediately, then either the Police or Children's Social Care must be contacted. If the child needs immediate medical treatment then they must be taken to a hospital, if necessary, an ambulance should be called and advised that this is a child protection concern.

(IV). If, at any time, a club member is not able to contact their CWO, or the matter is clearly serious then they can either:

- Contact the CFA Designated Safeguarding Officer directly

- Contact The FA's Safeguarding Team on **0800 169 1863**
or Safeguarding@TheFA.com

- Contact the Police or Children's Social Care

- Call the NSPCC 24-hour Helpline for advice on **0808 800 500** or text **88858** or email help@nspcc.org.uk

If the CWO was not available then the club members are required to let them know what action they have taken, they in turn must inform the CFA DSO.

The Combination understands and accepts our collective responsibility to adhere to and promote The FA's Safeguarding Children Policy and Procedures with our registered clubs.

Equality Policy and Complaints Procedure

The aim of this policy is to ensure that all members of the community are treated fairly and with respect and that the Harrow Soccer Combination (the 'Combination') is equally accessible to them all.

The Combination is responsible for setting standards and values that apply throughout the Combination at every level. Football belongs to and should be enjoyed by everyone, equally. Our commitment is to confront and eliminate discrimination whether based on gender, sexual orientation, marital status, race, nationality, ethnic origin, colour, religion or belief, ability or disability and to encourage equal opportunities.

This policy is fully supported by the Combination Officers and Andy Lowe who holds the post of Executive Officer at the Combination and is responsible for the implementation of this policy.

Equality at the Combination means that in all our activities we will not discriminate, or in any way treat anyone less favourably, based on grounds of gender, sexual orientation, marital status, race, nationality, ethnic origin, colour, religion or belief, ability or disability. It means that we will ensure that we treat people fairly and with respect and that we will provide access and opportunities for all members of our activities. And it means that we will not sanction any action, or lack of action, which might disadvantage a member compared to another for any reason related to the list above.

The Combination will not tolerate harassment, bullying, abuse or victimisation of an individual (which for the purpose of this policy and the actions and sanctions applicable is regarded as discrimination). This includes sexual or racially based harassment or other discriminatory behaviour, whether physical or verbal.

The Combination will work to ensure that such behaviour is met with appropriate action in whatever context it occurs.

We are committed to the development of a programme of ongoing training and awareness raising events and activities in order to promote the eradication of discrimination within the Combination and in the wider context, within football as a whole. We are also committed to circulating this policy to all our members and working with them to ensure that this is a shared policy that all members can collectively work towards.

The Combination is committed to a policy of equal treatment of all its members and requires all members to abide and adhere to these policies and the requirements of the Equality Act 2010.

The Combination commits itself to the immediate investigation of any claims of discrimination on the above grounds and where such is found to be the case, the practise will be stopped and sanctions will be imposed, as deemed appropriate. We will also work with Middlesex Football Association to achieve the same outcomes.

Complaints Procedure

In case any member feels that he or she has suffered discrimination in any way or that the Combination's Policies, Rules or Code of Conduct has been broken they should report the matter to the Executive Officer or another member of the Management Committee.

If the complaint is with regard to the Combination's Management Committee the member has the right to report the discrimination directly to Middlesex Football Association or to The Football Association.

Such a request must be made in writing to both the Fixture Secretary and the Secretary (Executive Officer) and be received at least 30 days prior to any date on which a fixture is not sought to be set by the Competition.

Clubs may request postponement of any match in the Competition if they have two or more Players playing in an officially designated County Association representative competition match. If a goalkeeper is playing then postponement may be requested if no other Player is playing. The Fixture Secretary shall have the power to order Teams to play mid-week evening and/or Saturday matches and/or double (back to back) matches where he/she considers it necessary or appropriate. Mid week and/or Saturday and/or double (back-to-back) matches may also be mutually agreed and arranged by two Teams. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff).
- Both the Clubs shall also submit a written report of the circumstances in the prescribed form to the Secretary (Executive Officer) within 2 days of the match. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff).
- (iii) In the event of a Competition Match not being played or abandoned owing to causes over which neither Club has control, it should be played in its entirety on a date to be mutually agreed by the two Clubs and approved by the Fixture Secretary. Failing such agreement and notification to the Fixture Secretary

within 7 days, the Fixture Secretary shall have the power to order the Competition Match to be played on a named date or on or before a given date. In all cases where a Competition Match has been abandoned owing to the conduct of both Teams or their Club member(s), the Management Committee shall rule that neither Team will be awarded any points for that Competition Match and it shall not be replayed.

No fine(s) can be applied by the Management Committee for an abandoned Competition Match.

- (v) The Management Committee shall review any Competition Match that has taken place where either or both Teams were under a suspension imposed upon them by The FA or Affiliated Association. In each case the Team that was under suspension would be dealt with in the same manner as if they had participated with ineligible players in accordance with Rule 18(N)(i) above. Where both Teams were under suspension the Competition Match must be declared null and void and shall not be replayed.
- (F) A Club may at its discretion and in accordance with the Laws of the Game use substitute Players in any Competition Match.

Where a Competition does allow return substitutes:

For Mini-Soccer (Under 7s to Under 11s) - Any number of substitutions may be used at any time, with the permission of the Match Official. Entry onto the field of play will only be allowed during a stoppage in the play. A Player who has been replaced may return to the play as a substitute for another Player. A Team must not have a match day squad greater than double the size of its Team in an age group. An Under 7, Under 8 and Under 11 Team may use up to 5 substitute Players. An Under 8 and Under 9 Team may use up to 7 substitute Players.

In Youth Football only, the referee shall be informed of the names of the substitute Players not later than 5 minutes before the start of the Competition Match and a Player not so named may not take part in that Competition Match.

REPORTING RESULTS

- 21. (A) The Match Form Secretary must receive from each Team within 2 days of the date played, the Match Result Form and the result of each Competition Match in the prescribed manner. This must include the forename and surname of each of the Team Players who played in the match and also the referee markings required by Rule 23, and any other information required by the Competition. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff). Clubs will be fined an additional amount (in accordance with the Fines Tariff) on a weekly basis until the Match Result Form is submitted. Failure by a Team to submit the Match Result Form within 8 days of the date played will result in fixtures being withdrawn from the offending Team until such time as the Match Result Form is submitted. Such withdrawal of fixtures shall be deemed as a defaulted fixture under Rule 20(E)(i).
- (B) The Match Result Form, fully and correctly completed, shall be signed by an Officer of the Club, or as prescribed by the Competition. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff). By so doing, the Officer of the Club certifies that all information is correct and accurately records the details of the Competition Match. A fine will be levied (in accordance with the Fines Tariff) for each entry that is incomplete or incorrect.
- (C) The Competition and Clubs are permitted to collect but NOT publish results or any grading tables for fixtures involving: Under 7s, Under 8s, Under 9s, Under 10s, and Under 11s. Any Competition failing to abide by this Rule will be dealt with by the Sanctioning Authority, and any Club failing to abide by this Rule will be fined (in accordance with the Fines Tariff). The Competition and Clubs are permitted to collect and publish results for trophy events.

- (D) Both Clubs shall telephone or SMS or email the result of each Competition Match (including any County FA cup matches in which Clubs are competing) and, for the avoidance of doubt, also include postponed, cancelled or abandoned matches, to the Competition results' service by 5.30pm on the day of the match in the prescribed manner. Clubs in default will be fined (in accordance with the Fines Tariff).

DETERMINING CHAMPIONSHIP

22. (A) In Competitions where points are awarded, Team rankings within the Competition will be decided by points with three points to be awarded for a win and one point for a drawn Competition Match. The Teams gaining the highest number of points in their respective divisions at the end of the Playing Season shall be adjudged the winners. Competition Matches must not be played for double points.

In the event of two or more Teams being equal on points at the end of the Playing Season, for the position of division winners or runners-up only, rankings shall be determined by deciding match(es) played under conditions determined by the Management Committee.

- (B) and (C) Not adopted.

- (D) In the event of a Team withdrawing from the Competition before completing 75% of its fixtures for the Playing Season, all points obtained by or recorded against such defaulting Team shall be expunged from the Competition table.

In the case of a Team completing 75% but not 100% of its fixtures for the Playing Season the outstanding matches shall be awarded by the Management Committee to the Teams not in default.

For the purpose of this Rule, completed fixtures shall include any Competition Matches(s) which have been awarded by the Management Committee.

MATCH OFFICIALS

23. (A) Registered referees (and assistant referees where approved by The FA or County FA) for all Competition Matches shall be appointed in a manner approved by the Management Committee and by the Sanctioning Authority.

- (B) In cases where there are no officially appointed Match Officials in attendance, the Clubs shall agree upon a referee. Where there is no such agreement, it is the duty and responsibility of the home Club to obtain a person to referee. An individual thus agreed upon shall, for that Competition Match, have the full powers, status and authority of a registered referee. Individuals under the age of 16 must not participate, either as a referee or assistant referee, in any Under 17 or Under 18 match. Referees between the ages of 14 and 16 are only eligible to officiate in a Competition Match where the Players' age banding is at least one year younger than the age of the referee or assistant referee. For example, a 15 year old may only officiate in a Competition Match where the age banding is 14 or younger.

Individuals under the age of 14 must not participate either as a referee or assistant referee in any Competition Match.

Failure to comply with this Rule shall result in the match being deemed to have been defaulted under Rule 20(E)(i).

- (C) Where assistant referees are not appointed, each Team shall provide a Club assistant referee. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff) being imposed on the defaulting Club. An assistant referee provided by a Team, unless a registered referee, must be at least one year older than the age group in which the match is played, but under no circumstances shall be below the age of 14.
- (D) The appointed referee shall have the power to decide the fitness of the Ground in all Competition Matches and that decision shall be final subject to the right of the local authority or ground authority to declare the pitch unfit for play. This right shall not apply where the home Team are the pitch owners or have control over the pitch.
- (E) Subject to any limits/provisions laid down by the Sanctioning Authority, Match Officials appointed under this Rule shall be paid a match fee in accordance with the Fees Tariff (inclusive of travel expenses).
- Match Officials will be paid their fees by the home Club (prior to the commencement of the match) unless otherwise ordered by the Management Committee. All assistant referee fees are to be shared equally between the two Clubs. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff).
- (F) In the event of a Competition Match not being played because of circumstances over which the Clubs have no control, the Match Officials, if present, shall be entitled to actual travel expenses only. Where a Competition Match is not played owing to one Club being in default, that Club shall be ordered to pay the Match Officials, if they attend the Ground, their full fee. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff).
- (G) A Match Official not keeping his or her engagement, and failing to give satisfactory explanation as to their non-appearance, may be reported to the Affiliated Association with which he or she is registered.
- (H) Each Club shall, in a manner prescribed from time-to-time by The FA, award marks (out of 100) to the referee for each match and the name of the referee and the marks awarded shall be submitted to the Competition in the prescribed manner. Clubs awarding a mark of 60 or less in a match shall submit a detailed report to the Referees' Officer explaining why such a mark has been awarded within 2 days of the match. Clubs failing to comply with this Rule shall be fined (in accordance with the Fines Tariff) and dealt with as the Management Committee shall determine.
- (I) The Competition shall keep a record of the markings and, on the form provided by the prescribed date each Playing Season, shall submit a summary to The FA/County FA.
- (J) The referee shall submit a report form, supplied by the Competition, giving the result of the Competition Match, the number of Players in each Team, the time of kick-off and such other information as is requested by the Competition to the Secretary (Executive Officer) within 2 days of the Competition Match.
- (K) Match Officials shall be supplied, each Playing Season, with a copy of the Competition Rules free of charge.
- (L) Match Officials shall have undertaken a RESPECT briefing offered by the FA/County FA or the Competition.
